

## **Nationally renown Prayer Intercessors, Prayer Stations, Worship Teams, Pastors and Evangelists from over 60 churches up and down the Treasure Coast to host a week long “Miracle On The Water” gathering in Fort Pierce, FL**

**Tuesday, November 1st, 2022** – Starting with a parade/processional on Saturday, November 12th at 3pm with local dignitaries in the heart of the Downtown City Center, Fort Pierce will play host to a week-long Gospel Awakening Crusade. The processional includes Florida’s 1st Place 120 piece marching school band from Ft. Pierce along with many classic cars, all leading across the bridge to the Causeway Cove Marina. There, a divine gathering of churches with live worship music and prayer will give way to baptisms and connections, as numerous ministry organizations unite throughout the day with services at 10am, 2pm and 6pm to bring hope and the Good News of Jesus Christ to the Treasure Coast communities.

On stage will be event Master of Ceremonies, St. Lucie Sheriff Department’s Chaplain Dr. David Thompson, life long Evangelist who walks in faith in God and has witnessed countless supernatural miracles. He lectures and ministers on a local and state wide level, being committed to seeing the power of the Holy Spirit touch even beyond Treasure Coast community residents.

This event is a follow up from a previous one day Magnify and Multiply event that was held in 2017 in Ft. Pierce, with over 1,000 participants. Those attending the previous event have been unanimous in their enthusiasm about how this life-changing event had transformed their lives personally, as well as their city.

The free entry and free parking event will take place starting the afternoon of November 12th, 2022 at the Causeway Cove Marina festival grounds, 601 Seaway Drive, Ft. Pierce, Florida. Miracle On The Water is a 501(c)3 Non-Profit Organization, and is dedicated to seeing people encounter the power and love of God. They are situated in the St. Lucie County area. In addition to their ministerial meetings, they aim to unite local organizations by providing infrastructure and explorers, to maximize the efforts of those serving our Treasure Coast cities. In doing so, more people can find God, find a Church, and find a life of encounter with the Holy Spirit.
